

HOT DOG

on BASE

The first and only meme that rewards its community by design. With 3% fee on all sells we periodically reward our community members and also protect traders from bots snipping.

Join our community to make a difference by supporting rescued dogs.

\$HDOG

The best friend
of rescued dogs

INTRODUCTION

Hot Dog (\$HDOG) – emerges as a disruptive proposition in the cryptocurrency ecosystem, combining the dynamism of a MEMECOIN with a serious commitment to animal welfare.

Leveraging the Base blockchain, this cryptocurrency not only ensures fast and secure transactions but also adopts a focus on social responsibility and sustainability.

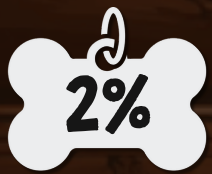

VISION of Hot Dog

Project Objectives:

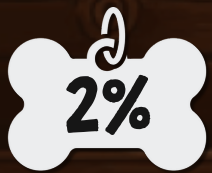

- Achieve a solid and prosperous community that keeps in mind our four-legged friends who need all our help.
- Establish Hot Dog as a globally recognized cryptocurrency due to its significant growth.
- Implement a prominent social aid implementation for animal shelters in Argentina.
- Showcase to the world that meme coins also have purposes.
- Position ourselves as one of the first meme coins allocating a percentage of profits to aid animal shelters in Argentina.

\$HDOG is not just a digital currency; it's a vehicle to foster awareness and support for dog shelters in Argentina. Our aim is to use the appeal and accessibility of a meme coin to mobilize resources and generate a positive impact in the community.

Building Our Community

To achieve total domination in the decentralized world, Hot Dog on Base will need solid support.

That's why it's forming its Hot Dog Army: a legion of passionate dog and food lovers who will be willing to spread the positivity that

\$HDOG promotes, as well as proclaim the message that \$HDOG is the ultimate charitable cryptocurrency in the entire universe. Its followers are growing day by day. The Hot Dog Army is about to march.

Will you join us
in this noble
cause?

conclusion

Building a memecoin with a distinctive purpose places us in a unique position in the market.

Our commitment to solidarity not only sets us apart but also propels us towards significant impact. We are sowing the seeds of genuine change in how cryptocurrencies can serve a noble cause. With every transaction, every donation, and every step we take, we are building a world where solidarity and social responsibility are fundamental values.

The path we are paving with \$HDOG is more than just an investment; it is a statement of our belief in a future where every action matters, where every MEMECOIN can be a vehicle for the common good. Together, we are making history.

Disclaimer

HDOG Token, including but not limited to the overall project, token, website, smart contracts and any apps (“HDOG Token”) as presented in this conceptual paper is not a licensed, unlicensed or exempted financial or payment service of any kind and in any jurisdiction. Any terminology used in this paper, on the Website or within the app is intended only as a basic reference, without any effective or legal meaning of the same terms in a regulated and/or financial environment. HDOG is a community-driven project. The HDOG token is strictly a meme utility token in all jurisdictions and is not and cannot be considered to be a “security” or otherwise regulated token of any kind. HDOG is not in any way e-money and/or fiat money, or an asset backed stable coin, whether global or limited in scope. This paper taken by itself is not a contract or a contractual agreement of any kind, nor is it an invitation, solicitation or offer to invest in HDOG or acquire or use HDOG tokens in any way and with any expectation of profit therefrom. The user hereby acknowledges and accepts that there is an inherent high risk in accessing, acquiring or using any kind of blockchain and/or crypto system, token, platform, software or interface, including HDOG , and further disavows any claim of any kind against any community member, members, or developers, directly or indirectly involved with HDOG , for any damage suffered, including total loss. HDOG is built on Base chain with extremely fast and cheaper txs speed and gas fees than Ethereum. HDOG was created as a joke for entertainment and charitable purposes and should not be taken seriously and may result in a 100% total loss. HDOG is not an investment and created as a meme parody token like Magaiva. It has no intrinsic value or ex-pectations of financial return. HDOG makes no promises and is not responsible for any losses or errors, use at your own risk.
